

Have your say

Does your child have palliative care needs?

Do you live in Cambridgeshire?

If so, we would like to hear your views about the care you and your family receive from the health, social care and education services in Cambridgeshire.

If you would like to take part in this project please download the questionnaire at the following link:

www.each.org.uk/what-we-do

Please be assured that any information you give will be anonymised and kept confidential to the project team.

If you would like more information about the project or be involved in an Action Group to help address some of the findings please contact me on 01223 815119 or by using the email address below.

Please return completed questionnaires to me by 31 March 2009 to: Linda.maynard@each.org.uk
