

EACH Giving Circle

each

East Anglia's
Children's Hospices

The EACH Giving Circle recognises and celebrates supporters who choose to give significant gifts. Becoming part of the Giving Circle is a unique and rewarding way to support us.

At East Anglia's Children's Hospices (EACH) we recognise and appreciate the significant contribution that our supporters make to the work of our charity. Without their generosity and help we would not be able to continue providing world-leading care to children and young people with life-threatening conditions and their families.

I would like to invite you to become a member of the Giving Circle. This is a unique network for like-minded individuals who wish to give regular significant gifts, are passionate about EACH and want to create a lasting impact. Becoming a member of the Giving Circle will provide you with access to exclusive invitation-only events that connect you to our cause and celebrate our successes together. You will receive regular updates on our work and see first-hand how your gift is helping to make a real difference to families' lives every single day.

I hope you will consider joining our Giving Circle, together we can create memories, have fun and bring hope through the sadness; for the families we care for now and those we are yet to meet.

Thank you for supporting EACH.

Phil Gormley, EACH Chief Executive

Libby's story

Libby lives with Bohring-Opitz syndrome, a rare genetic condition that affects the development of many parts of the body. She needs 24/7 care and is unable to sit, crawl or walk.

Her mum Kirsty, dad Gary and brother Jake all receive support through EACH.

Kirsty said: "When we heard Libby's diagnosis I felt broken - like our whole world had come crashing down. We were very scared of what was going to happen."

"Every part of the support we receive from EACH is so important, but day care and overnight stays are the most beneficial. It took me a long time to leave Libby with EACH's amazing team, but once we got to know each other and I could see Libby was happy, I was able to relax. I had some time for me again, which I realised I needed. It gives us time to spend one-to-one with Jake as a lot of time has been taken away from him to care for Libby.

"EACH has made a huge difference to our family and also the way we look at our lives now. I was so upset when we were told Libby would need hospice care and had all these sad, depressing images in my head.

"Then we went to Milton and it was so warm and welcoming. I felt happy. This was somewhere we, as a family, could make some amazing memories, meet other families and receive support. I'm really not sure where we would be today without EACH. They are a part of our life now."

The difference your £1,000 could make

provide five sessions of specialist hydrotherapy which could help a child to relax, reduce muscle pain and improve mobility

provide 62 hours of specialist nursing care for a child or young person with a life-threatening condition

provide five counselling sessions of tailored emotional support to help families cope during difficult times

With your support through the Giving Circle, we can reach even more local families who need us.

The Giving Circle recognises and celebrates our supporters who are committed to being a part of EACH and who generously give on a regular basis.

When you become a member of the Giving Circle, you will receive regular updates about the impact of your support, as well as invitations to join us at informative and social events throughout the year.

Our hope is that you will enjoy being part of this unique membership so much that you will want to introduce new members; helping us create an important network of friends and influencers, and ultimately vital support for EACH.

Become part of the Giving Circle today by setting up a yearly Direct Debit of £1,000 or more.

To join the Giving Circle please email our Major Supporters Team at thegivingcircle@each.org.uk or complete the enclosed form.
