PICK A PICTURE

Ask your colleagues, friends and family to pick a picture from the grid below for a suggested donation of £2

Please donate £..... to support EACH and the person who chooses the correct picture will win

WRITE YOUR WINNING NUMBER SAFE

How to play

The organiser picks a number between 1-25, writes the selected number in the orange star at the top, cuts it off and keeps it safe and writes the donation amount and what prize the person will win in space provided at the top of this form. Each player gives a suggested donation of £2 for each square they choose, adding their name to the square. Once the sheet is full and all money collected, the organiser reveals the winner and they will receive the prize listed above and the money raised goes to East Anglia's Children's Hospices (EACH) to provide care for children and young people with life-threatening conditions.
