Letter from our CEO

Dear Applicant,

Thank you for your interest in this hugely important role with East Anglia's Children's Hospices (EACH).

At EACH we care for babies, children and young people with life-threatening conditions and support their families, offering a range of services across Cambridgeshire, Essex, Norfolk and Suffolk. Our family-centred approach includes end of life care, specialist symptom management, short breaks, wellbeing activities, mental health therapies, counselling and volunteer services in the family home, meeting needs of the child and all the family. For families, including those who have been bereaved, we are able to give them the best in the worst possible situation.

We have three hospices - Milton in Cambridge, The Nook in Norwich and The Treehouse in Ipswich. We offer care and support in the hospice, in the family home and the community. EACH is accredited by Investors in People and has a diverse workforce of 330 employees and 50 bank staff predominantly employed across three hospice locations, nearly 50 retail outlets and a central services team based at Milton in Cambridgeshire. All our employees, both care and professional services, play a big part in making a difference to the lives of families at a time when they need it most.

If you would like to join our wonderfully dedicated team and have the skills, passion and experience, we would very much welcome an application from you.

Thank you once again for your interest in EACH - and good luck!

Yours faithfully,

Phil Gormley
EACH Chief Executive

Amari's story

Whilst still in the womb Amari was diagnosed with Edwards Syndrome. Since birth she has lived with many complex health conditions including a hole in her heart, cysts on the brain, delayed mental development, poor muscle strength and oral feeding problems.

Amanda, Amari's mum. "Just knowing EACH is still there and willing to help and support us is another important comfort. This journey is difficult and uncertain, and what EACH provides is some form of certainty in the guidance and support they provide to families facing the loss of a child."
