16 _____	17 _____	18 _____	19 _____	20 _____
21 _____	22 _____	23 _____	24 _____	25 _____

How to play

The organiser picks a number between 1-25, writes the selected number in the circle at the top, cuts it off and keeps it safe and writes the donation amount and what prizes the person will win in the space provided at the top of this form. Each player gives a suggested donation of £2 for each square they choose, adding their name to the square. Once the sheet is full and all money collected, the organiser reveals the winner and they will receive the prize listed above and the money raised goes to East Anglia's Children's Hospices (EACH) to provide care for children and young people with life-threatening conditions.
