# EURO 2024 Sweepstake

**EURO 2024 is just round the corner and we would like to ask for your support!**

**Organise a sweepstake and you're definitely on to a winner!**

It's easy to organise and get the whole team involved - not only will you be in with a chance of winning a cash prize, you will also raise funds for children and families receiving our care and support. Ask your colleagues to make a suggested donation of **£2 to £5** per team.

The higher the stakes – the bigger the end prize!

Don't forget, for larger groups you can run more than one sweepstake. That means two winners and an even greater impact for EACH!

## How to play:

1. Cut out the country names, fold them, and put them in an envelope or hat.
2. Anyone participating should draw at random for your agreed stake per country to create a prize pot.
3. Make a note of who has picked which team on the poster provided.
4. Once the winning team hold up the trophy on the 14<sup>th</sup> July, award half the prize money to the person who picked the winning country and donate the rest to EACH.
