

East Anglia's  
Children's Hospices

# An introduction to East Anglia's Children's Hospices (EACH)

**EACH is a registered charity (no 1069284)**

We support children and families to cope with serious illness and death.

Our service is available in Cambridgeshire, Essex, Norfolk and Suffolk.

You can use our service:

- At home or in the community
- At one of our hospices
- At the hospital.

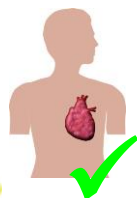

Our staff are friendly and helpful.

Together we will help you and offer support and care, such as:

- Counselling
- Day and overnight care
- Dealing with symptoms
- Wellbeing support
- Help with family events
- Support groups
- Spiritual care
- Information on what's available for your family.

All our staff are qualified professionals.

Our hospices are large and homely.

The staff don't wear uniforms.

Each locality offers activities such as:

- Specialist play
- Sensory room
- Music therapy
- Hydrotherapy
- Art therapy
- Wellbeing activities

Together we will make a support plan that suits your needs.

We also work with your care professionals to make sure they follow the support plan.

We work with families from all faiths and cultures.

When a child dies their care is reviewed.  
This is a legal requirement.

The review is to help improve care for other families.

The **Lullaby Trust** has more information on this.

View it online at:  
**[www.lullabytrust.org.uk/  
child-death-review](http://www.lullabytrust.org.uk/child-death-review)**

## The Care Quality Commission (CQC)

The **CQC** makes sure you are safe. We must meet their standards for care.

If you want to contact them:
