The Piglet, Junior Hog is the entry level version of [The Whole Hog](#) and The more challenging Boss Hog. It is open for children (from 8 years +) and for adults who want to try an obstacle and mud course. For both races we guarantee obstacles, water and lots of mud!

Who can take part?

The minimum age for the 2.5km route is 8 years and each child aged between 8– 11 must be accompanied on the route by a paying adult (18 years +) on a 1:1 basis. The 4km route has a minimum age of 12 years.

It's at Wantisden Hall in Suffolk, which is easily accessible from both North and West via the A14 and A12, the address is: Wantisden Hall, Wantisden Valley, Woodbridge, Suffolk, IP12 3PQ

What should I wear?

The majority will be off road and we therefore recommend off road clothing and footwear. You will be best off in trainers for these (PLEASE DON'T WEAR SPIKES DUE TO SOME OF THE OBSTACLES) and make sure they are laced up really well. We suggest long sleeved tops and leggings to cover those knees. Gloves will also be a good idea. You will get muddy! So wear clothes that you don't mind getting covered in mud in.

What do I receive when I register?

Prior to the event, each participant will receive a fundraising pack with a sponsorship form, sweepstake fundraising game, on the day information and your participant number wristband. Please ensure you complete the information on the wristband and wear this on the day. All participants must be accounted for throughout the route. These numbers are unique to you and therefore must not be swapped with other participants for health and safety reasons. **At the end of the event you will receive a medal.**

Do I have to raise sponsorship money?

We ask that you try and raise sponsorship for EACH. Sponsor forms are included in your entry pack and must be returned as soon as possible after , along with all the fantastic funds you have raised. Tick the Gift Aid box where applicable, so we can make your donations go 25% further for our children, young people and their families.
