

Eat for EACH this summer

It's official - England is having a good summer; a fantastic World Cup effort that united the nation, Wimbledon was, as always, quintessentially British and we're enjoying true warm weather. So what better way to celebrate than hosting an Eat for EACH event? We're thinking BBQs, cake sales, strawberries and cream (and Pimms, of course!) all in aid of EACH. We'll provide you with the fundraising materials, bunting, invites and the support you need to make your office event a success. Eat for EACH really is a simple way to enjoy the sun, raise money for your local children's hospice and, of course... eat!

Golf clubs and businesses across Norfolk and Suffolk brought together 33 teams to raise **£15,079 for EACH** at the sixth annual golf day in memory of **Stanley McLean**. The event takes place at **Thorpeness Golf Club & Hotel** and this year was sponsored by recruitment agency **Seven Resourcing Limited**. Golfers enjoyed bacon rolls to start their day, woodfired pizzas and gin at the halfway house, and a three course meal after a long day of golf. The winning team came from **Gotelee Solicitors**. Stanley McLean sadly died aged 18 months following complications during heart surgery. His parents, Brad and Debbie, received bereavement counselling from EACH and have been stalwart fundraisers since. Brad also became an EACH Trustee in 2016.

Team-building, some (friendly) competition and a lot of sun all made for a fantastic day at **Rogers & Norton's** second annual footgolf tournament last month. Twenty-one teams totalling 84 individuals took part, with a team from **First Home Improvements** taking home the trophy. A highlight of the event was the Beat the Pro hole, where players were challenged to sink their ball in less shots than former Norwich City forward Darren Huckerby. Paul McVeigh was the man to beat in the foot darts competition, sponsored by **Loveday & Partners**. The event raised a fantastic **£5,000 for the nook appeal**, our campaign to transform **children's palliative care** in Norfolk and North Suffolk, enabling us to deliver even **better children's hospice care**.

We were delighted to be nominated as the chosen charity for **Cambridge Assessment** for six months from January this year. The international exams group, that designs and delivers tests and assessments, has so far raised a brilliant **£1,467 for EACH!** The money was raised by those who took part in the annual London to Cambridge bike ride, a gruelling 62 miles with a climb of **2,700 feet**. We're told there was sweat, pain, team-building and a lot of fun had by all as they completed their challenge in aid of EACH. Thank you so much to all of the team members who took part in the sweltering heat to raise vital funds that will help us continue providing care to children and young people with life-threatening conditions across East Anglia and support for their families.
